

# Save Me

---

Cm Ab Cm Ab  
I've been drifting now, for forty days  
Cm Ab Cm Ab  
Wishin' that somehow, I could be saved  
Cm Ab Cm Ab  
This whole ocean, It's got nothin' to say  
Cm Ab Cm Ab  
But this whole ocean, It talks all day

Cm Ab  
Save me  
Cm Ab  
Save me  
Eb/G Ab  
I'm a drifting man  
Eb/G Ab  
Lost at sea  
Eb/G Ab  
Parched and burned and cracked  
Eb/G Ab  
Can rescue be?

Cm Ab Cm Ab  
My raft is sinking, a little more each day  
Cm Ab Cm Ab  
It would be useless, to plan my escape  
Cm Ab Cm Ab  
My raft is sinking, so I watch and wait  
Cm Ab Cm Ab  
And as the water rises, on my knees I pray

## Chorus

Gm Ab  
With my last breath I will call  
Will call your name  
x4
